Greetings:

On behalf of the Board of Regents, faculty, staff, students, and alumni of Kentucky State University, it is my pleasure to celebrate another well-deserved Athletics Hall of Fame induction class.

With over 130 years of providing excellence in all things, Kentucky State University was recently noted as the #2 college in our region, based upon value, and ranked #35 as a destination among HBCUs. In concurrence with these goals our great institution is committed to affording postsecondary education access and preparing a diverse population of traditional and non-traditional students through high-quality undergraduate and select graduate programs. With these goals in mind Kentucky State University continues to evolve, grow, and be a leader amongst peers in academics, agriculture, access, and athletics.

Since its inaugural year in 1975, more than 200 exceptional student-athletes have been inducted into the Kentucky State University Hall of Fame. This year we will add 6 more inductees into this prestigious society. Success and contribution in the areas of football, track & field, and volleyball have merited these standouts for induction.

Congratulations to all inductees. Your induction into the Kentucky State University Athletic Hall of Fame is an outward evidence of your impact on Kentucky State, the athletics program, and the greater community. It is because of you, and your achievements, that we are proud to call ourselves Thorobreds!

TAVARES LEVARITY

Sport: Football

KSU – 1998 Graduate

Bachelor of Science in Business Administration

Tavares “The Goat” Levarity was an explosive defensive tackle with outstanding quickness. He received the nickname, G.O.A.T. (greatest of all time) dominating the line of scrimmage as a defensive player. Tavares is from Miami, Florida where he played football at Hialeah-Miami Lake High School, and was recruited by Coach Maurice Hunt to attend KSU.

As a freshman, he was able to secure a starting position as defensive tackle. During his freshman season, he excelled by leading the Thorobreds in tackles for loss, and amassing 44 tackles and 5 sacks, playing in only 9 games, due to an injury.

Tavares was the “ROCK” of the defensive line, becoming one of the best defensive lines in the nation. When Coach George Small became the new head coach in 1995, his new system, with Tavares leading the way, helped lead KSU to its first winning season in 16 years. The driving force of the KSU defensive line lead KSU to a 7-4 win-lost record for the season. Tavares was the defensive Captain, as they lead the nation in total defense, holding opposing teams to under 200 total yards per game. Tavares was consistently nominated as Defensive Player of the Week by the State Journal and the Sports View Black-College magazine.

Tavares was a versatile defensive player. During his senior year, 1996, he switched to the position of defensive end to fill in a void, but this change did not prevent him from being a top defensive lineman. He continued to provide non-stop pressure on his opponents and keeping the offense guessing on what he might do next. Coach Small quoted, “Tavares uses his hands well and has tremendous intensity at the point of contact”. Tavares was able to finish the season with 69 tackles and 5 sacks.

In 1997, the team, along with the strength of Tavares, led the KSU Thorobreds to it first and only Pioneer Bowl victory. His contributions to the game devastated the opposing team. His statistics were recorded as 70 tackles and 6 sacks. KSU ended the season with a 7-5 record defeating Livingstone College, 30-26 in the Pioneer Bowl Championship. KSU also led the Division II in Pass Yardage Defensive, largely due to the upfront defensive pressure, by Tavares, to the opposing quarterbacks. Tavares was instrumental in KSU being ranked in the top five, in the nation, on defense for two consecutive years, 1995 and 1996.

Tavares currently resides in Tampa, Florida and is an owner of an Avis/Budget rental franchise in downtown Tampa.

STANLEY L. MULLINS

KSU – 1965 Graduate

Bachelor of Science in Health & Physical Education

George Washington University – 1967 Graduate

Masters of Art in Physical Education

Stanley Mullins, a Greensboro, North Carolina (James B. Dudley High School) native, was a 440 Yard Dash High School state champion. He set the schools and the North Carolina state record by running a 48.3 seconds. He was a two time high school State Champion. His outstanding performance caught the attention of Hall of Fame Coaches Sam Taylor and William Exum, who offered him a four year Track & Field scholarship to attend Kentucky State College (KSC).

Stanley made an immediate impact at KSC as he was a member on all three sprint relay teams, each of his four years. During the 1960's KSC was one of the best sprint teams in the country. He was considered one of the key athletes at KSC along with KSU and NCAA Hall of Famer, Jim Kemp.

Black colleges weren't able to earn All-American status from 1961 to 1965. KSC was a member in the Mid-Western Athletic Association Conference where Stanley earned All-Conference honors as a member of the one mile relay teams in 1964 and 1965. Stanley's had a personal time of 46.8 seconds in the 440 yard dash. One of his greatest accomplishments came in 1965 when he was a member of KSC's sprint medley relay team that won the prestigious "Championship of America" race at the Penn Relay's held at the University of Pennsylvania in Philadelphia, PA. This was the first time KSC had ever won an event at the greatest track meet held in America. Stanley also earned his athletic letter each of his four years at KSC.

In addition to Stanley's achievements, he was also a member of the national leading indoor One Mile Relay in 1964 where they ran an outstanding time of 3:11.50. He also earned "KSC Freshman MVP" in 1961-62.

After Stanley graduated for KSC, he attended George Washington University where he earned his Master's Degree in 1967. He then joined the United States Army in 1969 where he was a member of the Army team in Track and Volleyball. He earned several military honors as a member of those teams.

Once Stanley severed his military time, he began his teaching and coaching career in Washington DC at Cardozo High School. In 1972 he develop a new track program at H.D. Woodson High School. During his time at UDC he developed 17 men and women All-Americans and 32 Eastern Colligate Athletic Conference, All-Conference athletes.

Stanley has been honored with the following awards: Washington DC Coaches Association Hall of Fame (2001); Dudley High School in Greensboro, NC Hall of Fame (2007); University of the District 6 of Columbia Hall of Fame; the Potomac Valley Association Track Coach of the Year (2013); and, Prince George County Track Coach of the Year on three occasions.

ERIC S. YORK

Sport: Football

KSU – 1996 Graduate

Bachelor of Science in Physical Education

KSU – 2000 Graduate

Master in Public Administration

Eric York was one of KSU defensive leaders. He was a hard-hitting Strong Safety with what was considered one of the best defensive backs in the nation among HBCU schools. A 1992 transfer student from Alabama State University, he immediately earned the starting defensive position under Head Coach Maurice Hunt.

Eric was a two-year starter and a KSU letterman. His impact on the defensive line was the reason Coach Hunt appointed him as the leader of the defensive backfield. Eric called the shots, propelling the defensive backfield to be recognized nationally as one of the best.

KSU was not in a conference during the years Eric's played with the university, and he was not granted an opportunity to receive All-American status among his peers. Eric's statistics would certainly have placed him among the best in the nation among other HBCU and NCAA Division 2 defensive backfield players. In 1992, Eric had 114 solo tackles and 26 assisted tackles. In 1993, he obtained 91 solo tackles and 39 assisted tackles and one interception. In 1992, York was featured in a National Football Magazine.

The 1993 defensive backfield team was deemed the best in the country, leading the nation in interceptions. As a free agent in 1997, Eric had a tryout with the Hamilton Tiger Cats of the Canadian Football League.

Throughout his span at KSU, Eric was a resident assistant for five years, security officer for four years, and a director of the KSU housing department for three years. In addition, he was an Alcohol and Drug Peer Counselor for three years. He was also a tutor, counselor, and mentor at both Frankfort County High School and the Frankfort YMCA.

Eric was honored as a Gadsden Author for his book "Having Early Visions That moved Mountains, My Winning Purpose". This honor came by the Gadsden County Democratic Women's Club at the Pat Thomas Law Enforcement Conference in Havana, Florida. The book dedication was held in June, 2019 at the William A. McGill Library in Quincy, Florida.

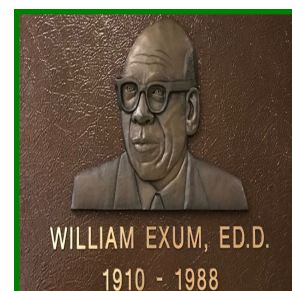

Eric is a member of Phi Beta Sigma Fraternity – Xi Lambda Chapter. He received several academic honors. He was recognized by "Who's Who among students in Colleges and Universities", and named to the "United States Achievement Academy". He was also recognized as a "National Collegiate Education Winner".

Eric currently resides in Tallahassee, Florida and works as a Physical Education Teacher at Gadsden County High School in Havana, Florida.

REMEMBERING A LEGEND

DR. WILLIAM EXUM

(1910 – 1988)

Dr. William Exum served as Kentucky State University's Athletic Director for nearly 30 years. During his time at KSU, he developed many student athletes into outstanding young men and women. He was one of the reasons Kentucky State was so great in athletics. The 1960's and 1970's may have been the greatest years in sports in KSU's history.

"Cool Blue", as he was called by many, made history in so many ways. Born in Rock Island, Illinois, Dr. Exum attended the University of Wisconsin in 1928. In 1929 he became the first African-American to be a member on the University of Wisconsin's varsity football team.

Many issues kept Dr. Exum from finishing his football career at the University of Wisconsin, but he was able to have a successful career as a track & field athlete, competing in both the low and high hurdles. He was also a member of the one-mile relay team. Dr. Exum was a regular point -winner for the Badgers track team where he earned three varsity letters during his tenure.

After graduating in 1936 With a degree in Physical Education he started his coaching career in Florida at Bethune-Cookman College followed by several other coaching positions for nearly a decade. In 1949, Kentucky State College hired Dr. Exum to take charge of the Physical Education department. Shortly after, he became Kentucky State's Athletic Director. This was the beginning of a legend.

Dr. Exum, along with his wife Helen, cared about the students at KSU. They both gave advise to all students, athletics and non-athletes, inside and outside the classroom. Their message was usually about the gift of life. They were admired by everyone.

Dr. Exum not only served as Athletic Director, he was the Head Coach at various times in Tennis, Track, and Cross Country. He made history by having the first all African-American Cross Country team to win the NCAA College Division National Championship. Until this day, no other team has won any college or university cross country championship with an all American born African-American runners.

During his leadership as Athletic Director, he brought together arguably the greatest group of Head Coaches in KSU history in late 1960's and 1970's which includes: Coach Leroy Smith (*Football*); Coach Kenneth Gibson (*Cross Country and Track & Field*); Coach Lucias Mitchell (*Men's Basketball*); Coach Cornieth York Russell (*Women's Volleyball and Basketball*); and Coach James Oliver (*Baseball*). Dr. Exum's goal was to make winning a tradition in all sports. He also wanted these coaches to make sure that every athlete, male and female, be taught that education was just as important as sports.

Dr. Exum was involved in many national organizations. He served as Assistant Manager of the USA Men's Olympic Track and Field Team in 1976; a member of the Athletic Congress of the USA Olympic Track and Field Committee; on the selection committee of the National Track Hall of Fame; and, Chairman of the National Summer Youth Sports Administrative Committee.

The many organization that have honored Dr. Exum included the National Collegiate Athletic Association, the Kentucky Association for Health, Physical Education and Recreation, the USA Olympic Committee, and the United States Track Coaches Association.

Finally, on August 19, 2019, Dr. Exum was remembered by 16 sports media representatives from throughout the state of Kentucky, as he was inducted into the "Kentucky Sports Hall of Fame". An honor that was well deserved!

REMEMBERING A LEGEND

Dr. Harrison Wilson, Jr.

1925 - 2019

Dr. Wilson enrolled at Kentucky State College and received his B.S. degree in 1950. While at KSC, he was an honor student and became a star athlete in basketball, football, baseball, and track. Dr. Wilson was initiated at the Alpha Upsilon chapter of Kappa Alpha Psi fraternity at Kentucky State College and was a member of the Alpha Kappa Mu honor society.

After graduating with high honors from KSU, Dr. Wilson carried his Kentucky State education further, pursuing his PhD at Indiana University while serving as head basketball coach at Jackson State University. While coaching in Jackson, he earned his doctorate of education, accomplished a coaching record of 365 wins and 74 losses.

Dr. Wilson committed himself to developing the highest educational standards at nationally premier Historically Black Colleges and Universities. As an administrator, he contributed to the growth of Tennessee State University, Fisk University, and of course, Norfolk State University where he served as a president beloved by many. For 22 years - from 1975 to 1997, Dr. Wilson guided NSU. His efforts took a school that offered only four graduate programs in which 191 students were enrolled during the 1975-76 academic year, to a university that by 1996-97 offered 14 master's programs and one doctoral program enrolling 1,110 students.

During his tenure as president of NSU, The Naval Reserve Officers Training Corps (NROTC) at NSU produced the largest number of minority naval officers in the nation, second only to the U.S. Naval Academy. Norfolk State also graduated more African-American teachers than any other university in the nation while Dr. Wilson was president. He retired in 1997. The NSU administrative building was named in his honor.

Dr. Wilson was inducted into the Kentucky State University Hall of Fame in 1991.

ORANGE BLOSSOM CLASSIC BOWL

Celebrating the Life and Achievements of Kentucky State University's Cleotha (Cle) Dennis '63

Cleotha (Cle) Dennis was born June 14, 1939 in Panther Burn, MS. His family migrated to Detroit where he received his education. He graduated from Northeastern High School in 1957 where he excelled in softball, track and field, and football. He often told the story of how the football coach from an opposing high school set him on the right track. When the Coach learned that Cle was not attending college, he said to him, "I'm going to call three schools and you're going to the first school that calls me back." Kentucky State University was the first caller. That call set his life on a path of success.

At Kentucky State, Cle excelled in football and track and field. He fondly shared many stories about the games played, the comradery of the football team and the expectations of the coaching staff. Those experiences helped prepare him for the future.

In 1963 Cle graduated from Kentucky State and began his 35-year career in the Detroit Public School System. He taught health and physical education where he enjoyed molding young lives at the middle school level. He continued his higher education at the University of Michigan.

1996 was a year of significant achievement for Cle. In that year he was inducted into the Athletic Hall of Fame at Kentucky State for his excellence in football and track and field. He was also commissioned a Kentucky Colonel, the highest title of honor bestowed by the Commonwealth of Kentucky. In 2016 he was named a distinguished Alumni of Kentucky State by the Florida Alumni Chapter. He was a life time member of Kappa Alpha Psi Fraternity, Inc.

God sent him a help mate in Hellen Walker, also from Detroit, Michigan, who shared his zest for life. She joined him on the golf course, became his card partner, travelled the world with him and faithfully cared for him until God called him home on April 28, 2019.

Cle was true to his Alma Mater and in everything he did in life, Cle proudly represented Kentucky State University.

Alma Mater

Lyrics by Frederick Jarmon '43
Music Arrange by Harriet Newhouse '44

Hail to our Alma Mater,
Dear is Her name,
And there shall be no other
To surpass her fame.
Here is the hand that guides us
Day after Day,
And She will stand beside us
When we go on our way

Sing ev'ry voice together,
Let echoes rise,
Hail to our Alma Mater,
Shout to the skies.
Holding the Torch of Wisdom
She leads the way,
Clasping the hand of Freedom,
As she marches along.

Chorus

May blessings be upon Her,
Shepherd of Youth;
She holds the seat of honor
In the hall of truth.
Mem'ries of Her shall never
Fade from our hearts,
And we will praise Her ever
For the love She imparts.
